Maroof Khan

Full Stack Developer | Software Engineer
Twin Cities, Minnesota | 612-404-6934 | maroof.mkf@gmail.com
[GitHub](#) | [Portfolio](#) | [LinkedIn](#)

My passions include American stock exchanges, blockchain technology, and the finance industry as a whole. I have extensive knowledge of computer hardware and computer software. I have led groups of young adults in developing their soft and technical skills. In cooperative environments, I am adept at making excellent decisions in difficult situations, as a problem solver with a keen eye for detail.
